Support your loved ones right here in your community

REACHING OLD AGE IS A MILESTONE THAT SHOULD BE CELEBRATED.

We all have loved ones who are aging and have an important place in our lives. So, it's vital that we ensure their golden years stay golden.

Our aging population is growing faster than any other age demographic in our province, which is why this year's Lottery is focused on improving seniors care throughout Alberta, with funds raised going back to help seniors right here in your community.

We have committed nearly \$8.7 million since 2016 towards seniors care at the 21 facilities we support across Alberta and with your support, can do so much more.

A SMALL CONTRIBUTION THAT MEANS THE WORLD

Your tickets help enhance leading-edge care, enrich lives and reduce social isolation. You're providing specialized care and peace of mind for the people you've known all your life and getting a chance to give back for everything they've done over the years.

Much like our parents took care of us, we believe in taking care of other people — body, mind and soul. Funds raised from efforts such as Covenant Foundation Lottery ensure those we care about the most get the best care possible.

We are also committed to exploring and providing new innovations that enhance the quality of life for seniors. Bicycle programs at Holy Cross Manor in Calgary and Virtual Reality headsets in Edmonton and Banff are examples of our efforts to provide care for the family members, friends and loved ones in your community.

THANK YOU FOR YOUR PAST SUPPORT. IT IS THROUGH PEOPLE LIKE YOURSELF THAT HELPS ADVANCE SENIORS CARE IN YOUR COMMUNITY.
